# Online Hate    Cyberbullying

**Directed at groups with the intent to promote hatred and violence against them**

**Not necessarily directed at specific individual**

**Aims to involve other people in spreading hate**

**Important to know how to respond and who to talk to if you're concerned about the potential for violence**

**Directed at specific individuals to harm or humiliate them**

**Repeated and aimed at the same person**

**Does not need to involve other people**
